

A good relationship between families, school and students is vital for the benefit of your child's education and wellbeing.

We have an array of methods to ensure communication between families and OLOG. These include Audiri App, Seesaw, Email, Newsletter, Facebook and Learning Conversations.

Audiri is our primary whole of school communication tool and is used for whole school notices, events, e-forms, i.e. sports nominations and communication plus absentee notices.

If you don't yet have access to Audiri or require some assistance, please contact the school on 8177 9100 or olog@olog.catholic.edu.au.
